I would like to thank
Odyssea and the pre-
senter of the seminars for
the wonderful seminar of
Project Management!

A truly excellent seminar, which com-
bines theoretical knowledge and practical
application. A really interactive, interesting seminar,
which has elements (beyond Project Management)
from the science of psychology, consists of tools
which need excel and has elements of economics and
business administration. It is a seminar that meets the
criteria of corporate training, which empowers the
attendee with essential Skills and is oriented to the
job market! It is a seminar that is worth attending as it
has added value in knowledge and skills and is also a
great addition to the resume of any person attending!

CHAPTER 7

Finances

Médecins du
Monde Greece
and Odyssea join
forces

The cooperation between the two organizations started with the provision of a mobile medical unit by Odyssea to Médecins du Monde to meet the needs in the wider border region of #Ukraine and #Romania, while the unit will also be used for Médecins du Monde's health activities in remote populations living in mountainous and island regions of the country.

More than 2000 patients received check up and medical services through our M.M.U. located in Ukraine.
